Australia's Southern Cannabis Holdings Expands Executive Team

Southern Cannabis Holdings (SCH) is excited to announce that we are expanding our team with 3 new highly qualified and experienced executives from the Australian medicinal cannabis and healthcare industry. This team will enable SCH to embrace its next era of domestic growth and global expansion for its 3 key businesses Cannabis Access Clinics, Applied Cannabis Research and Freshleaf Analytics.

Andrew Glover has been appointed General Manager, Cannabis Access Clinics for Australia and New Zealand. Andrew has an extensive track record leading healthcare businesses and comes from Healius Ltd where he was the Commercial Director of Immediate Care and Head of Primary Occupational Health for their Medical Centres division. Additionally, he brings a wealth of experience from the Telecommunications and FMCG industries where he has held senior commercial positions.

Dr Mark Hardy B.Sc (Med)., M.B.,B.S., FRACGP, FACHAM (RACP) has joined the Cannabis Access Clinics medical advisory board. Dr Mark is an Addiction Specialist and Visiting Medical Officer at The Hills Private Hospital, The Sydney Clinic and the Northern Beaches Hospital. Mark has worked in addictions since 1995 and has previously been a staff specialist in Addiction Medicine at Northern Sydney Local Health District. In that role, he spent over 12 months as Acting Clinical Director of Drug Health Services. His interests include research, public health, medical education, chronic pain, mental health, toxicology and chronic disease.

Rhys Cohen has joined FreshLeaf Analytics as Principal Consultant. Rhys is a recognized thought leader in the Australian medicinal cannabis industry. Rhys was Director of Cannabis Consulting Australia and was previously the Senior Project Officer at the University of Sydney's Lambert Initiative for Cannabinoid Therapeutics. His industry analysis has been cited by Deloitte Access Economics and the Office of Drug Control as well as ABC News, The Age, The Sydney Morning Herald, and MJBiz Daily.

Tim Drury, Director of Southern Cannabis Holdings, commented: "We're thrilled to have so many high calibre executives joining our group. Our team is well positioned to capitalize on

“Cannabis 2.0”, the next phase of industry growth which will be defined by companies with real revenues, cashflows and profits”.

Southern Cannabis Holdings will continue its strategy of expanding into new markets where the regulations reflect and support the pharmaceutical medicinal cannabis sector.
